

REMARKS

Amendments to the Specification:

Applicants have amended the specification to add SEQ ID NOs: in compliance with 37 C.F.R. §§ 1.821-1.825. The information that is being amended in the specification is clearly identified: the inserted material is underlined and bolded. Applicants have also inserted an abstract in compliance with 37 C.F.R. § 1.72(b). No new matter is introduced.

Pursuant to an April 13, 2007 Notification of Missing Requirements, Applicants are submitting an initial paper Sequence Listing. As required, Applicants are amending the application to insert the paper copy of the Sequence Listing (pages 1-61) enclosed herewith at the end of the application, after the Abstract. Please enter the computer readable form (CRF) copy of the Sequence Listing enclosed herewith into the application.

Applicants request entry of the amendments and of the Sequence Listing and early allowance of the pending claims.

Respectfully submitted,
